About Us

We Are Your Favourite Store.

Our passion for organics is woven into every fiber of Mountain Rose Herbs' operations, and we believe this is necessary to realize our mission to put people, plants, and planet over profit. We offer one of the most thorough selections of certified organic herbs, spices, and botanical products and are committed to responsible sourcing. For our customers and the natural environment, we never stock conventionally grown botanicals, and when certified organic materials are not available, we opt for those cultivated without chemicals or synthetic inputs. Many of these are ethically harvested in the wild, thus liberating us from conventional farming dependencies.

Description Additional information Reviews (0)

Organic apple spice tea is a delightful blend of white peony tea leaves, earthy herbs, and sweet, dried apple and pear. The well-balanced flavors and delicate aroma are a delight for your senses.

With sweet, fruity, lingering herbal notes, our organic harvest white peony tea is perfect for sipping under the shade of large leafy boughs during a relaxing morning. This tea is delicious hot or iced, and a touch of your favorite sweetener helps the fruit flavors shine. Add a splash of cream if you are feeling especially indulgent!

Contains caffeine.

Aroma and Flavor

The charming flavor of dried apple and pear are balanced by the sophisticated white peony tea leaves. The aroma is deliciously sweet, though this tea's flavor is subdued by the earthy nettle and lemon balm leaves.

Ingredients

Organic white peony tea, organic lemon balm, organic nettle leaf, organic apples, organic pears, organic sweet cinnamon chips, and organic apple cider flavoring.

Brew Instructions

Fill 1 tablespoon of tea in a cloth tea bag or mesh basket and place in your favorite mug. Pour 8 ounces of boiling water over the tea and allow to steep for 3-5 minutes. Experiment with the steep time and quantity of tea and find your ideal cup!
